

# How to get to Hotel Pod Zvičinou?

## *Guide for participants of the Brutal Assault Festival 2024*

Dear participants of the Brutal Assault Festival, we are pleased that you have chosen accommodation with us for your stay in the Czech Republic.

Since our beautiful hotel is located just in the middle of nowhere, we have prepared some tips and advice on how to reach us. Generally, whether you are traveling from Prague or another city, **the best tool for searching of the public transport is a website [www.idos.cz](http://www.idos.cz)**, which is also available in English.

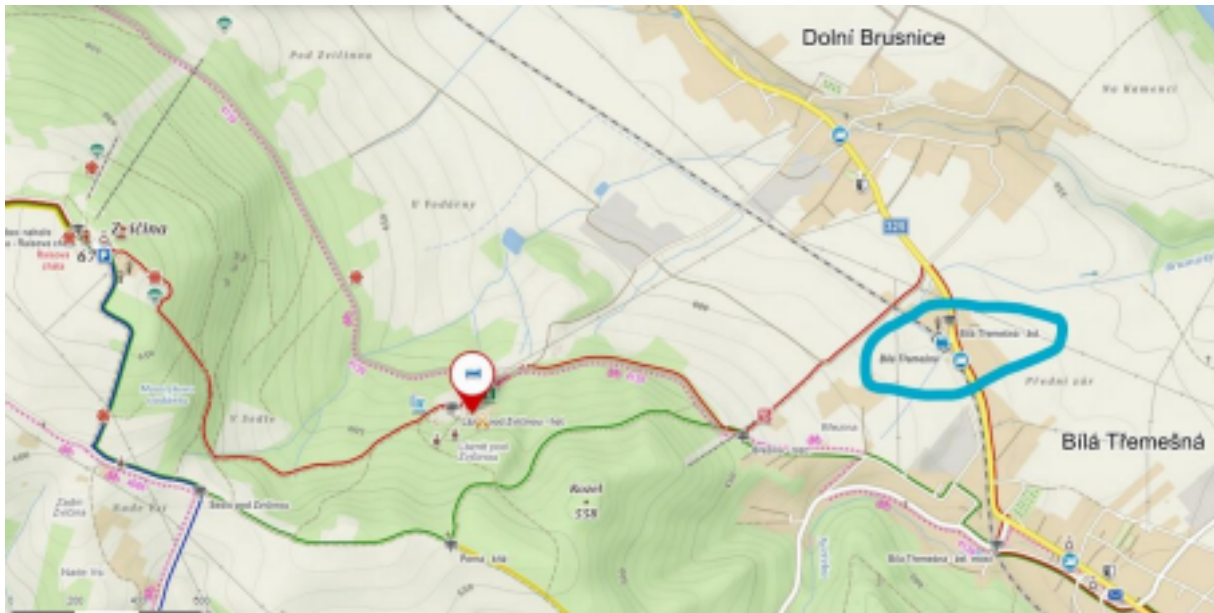

*What is the **target destination** when traveling by public transport?*

**If you don't mind walk a little...**

The nearest **train station** from our hotel is “Bílá Třemešná”.

The nearest **bus stop** from our hotel is “Bílá Třemešná,, žel.st.”.

*Despite the different names you will find both stops in the **same place** (see the map below).*

When you arrive at this station / stop, there is a **2 km long uphill walk** to our hotel. The path is well marked with **red tourist signs**.

### *Where to buy tickets?*

Most **bus tickets** are available at the bus driver. Some can also be purchased in advance via the internet (in this case, there is an offer when searching at [www.idos.com](http://www.idos.com)). Bus tickets must be purchased separately for each bus.

The **train tickets** you can buy at the counter in the train station or via the internet. (In some local trains it is also possible to buy a ticket on a train at the conductor). If you use one train company for the entire journey, one ticket will be enough (even in case of transfers). If you change train companies during the journey, you must purchase a separate ticket for each train (company).

*Please note that if you change **from train to bus** in Dvůr Králové nad Labem, you **need to use the city public transport** to get between the train and bus station (distance ca. 3 km).*

### **If you don't want or cannot walk...**

We recommend you Dvůr Králové nad Labem as a target destination for public transport. The city is about 10 km from our hotel and you can order a taxi from here. The price for the taxi from Dvůr Králové nad Labem to our hotel could move around 300- 500 CZK.
